K-12 STEM Outreach Google Groups

Each Google Group is open to companies, organizations, schools, universities, individuals and others engaged in K-12 science, technology, engineering and math (STEM) outreach. The purpose of the regional Google Groups is to provide connections, resources and a sense of community across all engaged in K-12 STEM outreach in the region.

Group Name: Central Texas K-12 STEM Outreach

- Web address: <http://groups.google.com/group/central-texas-k12-stem-outreach>
